What kind of entertainment kept the summer boarders busy?

May 6, 1881 – Last week the guests of the Shady Point House made the tranquil waters of the creek echo with the splash of oars in the excitement of a boat race.

The ladies of the house rowed for a very handsome silk umbrella The race was over a 3-8 mile course and was won by Miss Cassidy in 1:55.

Sept. 7, 1883 – A grand tub race was rowed on the creek last Friday by the Shady Point guests; ... the tub race was a most laughable affair, and was heartily enjoyed by quite a crowd of spectators.

The gentlemen rowed for a basket of champagne, which was won by Mr. Davidson in 1:42. The race was closely watched by a large crowd on shore and in boats on the creek. It was an informal affair, but afforded much amusement to our summer guests.

FROM THE SUMMER RESORTS, MATTITUCK

On the evening of last Friday a eucyre party, followed by a hop was celebrated at Shady Point House. The party was given by the guests of Shady Point and the Ingleside houses in honor of William H. Cotte, who was to leave the next day and who has been responsible for much of the enjoyment during the past few weeks. The broad porch upon which the card tables were set out were brightly lit by dozens of Japanese candles and decorated with many tiny American flags. Between the dances an impromptu program was given. Songs and recitations were rendered to an enthusiastic audience. Miss Julia Kelly sang and Mrs. Cotte and Mr. Wells did an excellent cake walk. ~ The Brooklyn Eagle, August 8, 1901

Mattituck had much to offer, and summer visitors loved their outings here. There was good swimming in the creek, bay, and sound; there were sunburn and blisters to take back home; there were the Literary Society meetings at Library Hall for those who liked entertainment and dancing; baseball games every Saturday; stores to shop in where they delighted in telling merchants they could buy the same goods in A & S nine cents cheaper. Bicycle riding remained popular, with bicycle paths constructed back to Riverhead or out to Cutchogue.

There was a rush for souvenir postcards immediately after arrival to send back to folks in the big city; and there were twice daily trips to the Post Office, morning and 8 P.M. to wait for the mail to be sorted, and to meet friends while the mail was being processed.

Too, the visiting boys liked the local girls and the visiting girls liked the local boys. It was a nice life. A week or two vacation for most; a month or all summer for the prosperous.

— Donald Gildersleeve

12700 Old Sound Avenue, Mattituck, NY 11952 • www.nfct.com

Thursdays, Fridays and Saturdays at 8pm, Sundays at 2:30pm

The Cat in the Hat tells the story of Horton, an elephant who discovers a speck of dust that contains the Whos, including Jojo, a Who child sent off to military school for thinking too many “thinks.” Horton faces a double challenge: not only must he protect the Whos from a world of naysayers and dangers, but he must guard an abandoned egg, left in his care by the irresponsible Mayzie La Bird. Although Horton faces ridicule, danger, kidnapping and a trial, the intrepid Gertrude McFuzz never loses faith in him. Ultimately, the powers of friendship, loyalty, family and community are challenged and emerge triumphant. *You don't need to be a child to appreciate the wonderful world of Dr. Seuss - Seussical is fun for all ages!* Tickets are \$25. An opening night reception will be held at 7pm Thursday July 19th.

Student Rush: Student tickets will be available for \$20 at the box office beginning 10 minutes before each performance. These tickets are subject to availability and cannot be reserved ahead of time.

**ANNUAL CATCH-A-STAR LITERARY LUNCHEON
THURSDAY JULY 26**

Catch-A-Star, the longest running literary luncheon on the North Fork, will be held at noon at Porto Bello Restaurant in Greenport. Paula Shengold, who has chaired the event for all of its 23 years, has lined up two well-known North Fork personalities for this year's presentation on a “Words and Music” theme.

Providing the words is Joe McKay, who originated a column that is distributed nationally via the Internet titled “Crazy About Words,” now also a book available through Amazon and retail booksellers. McKay's take on words, offered through short, often pithy essays, is insightful and humorous, covering the familiar as well as the arcane for those who enjoy the English language.

Providing the music is George Cork Maul, a composer and pianist, whose credits include modern songs, suites and dance pieces, contemporary operas, musicals, and pieces for string orchestra. His work has been performed in the U.S. and abroad.

The Catch-A-Star literary luncheon is an eagerly anticipated annual event, sponsored by the Sisterhood of Congregation Tifereth Israel, the synagogue in Greenport. The event typically attracts more than 100 guests from the North and South Forks, Nassau, Suffolk and Westchester Counties, and Connecticut. Previous Literary Luncheon speakers have included Abigail Thomas, Teresa Taylor, Bob Berks, Rikki Samuels, Toni Munna, Miranda Beeson, George Cork Maul, Jeri Woodhouse, Karen Catapano, Ann Liquori, Joanne Sherman, Yvonne Lieblein, Phillip Lopate, and Lauren Grant.

Advance reservations are suggested. Tickets at \$40 each include lunch and program, raffle prizes, gift bag, and camaraderie. For reservations and more information, call the synagogue at 631-477-0232, or Paula Shengold at 631-477-1234.

Keeping the East End Comfortable for Over 60 Years

Think **Flanders** First!

Is This The Secret To Happiness?

Probably Not. To be Honest, Happiness is a Fairly Complex, Largely Personal Sort Of Thing that, as HVAC Experts, we're, ahh, largely unqualified to weigh in on. That said, we do have **Over 60 Years Of Experience** in Home Comfort and have noticed that **Folks are Typically Far Happier When We've Finished a Repair or Installation Than Before We Arrived**, leading us to think that – in our own small and humble way – **we've been directly responsible for increasing the overall happiness levels in Suffolk County since 1954.** So we've got that going for us. "Needle felting" is a technique using one or more felting needles and fiber (roving) to create flat felt or felt sculpture. Needle felting is a relatively new craft developed in the early 1980's by artisans David & Eleanor Stanwood using a tool from the woolen mill industry. Felt, the oldest textile fabric, dates back as far back as 6300 BC. It is created from wool or other animal fibers that are densely matted together. Felting pre-dates spinning, weaving or knitting and for centuries, this non-woven fabric has been used for homes and clothing. Meet on the lawn. Fee \$40 (includes \$8 materials fee)
