being up on huge beams about to be moved somewhere. Finally, Barker's Drug Store was a staple of Love Lane for decades. It even included a small soda fountain with a number of stools. How did they fit it all in?

Returning to our starting point at the station, it is of interest to note that the center of Mattituck was over one mile east before the coming of the railroad in the early 1840's. But for all the changes over the past decades, the center would still be recognizable to a time traveler from the 1950's. But one thing is for sure, the flavor of this rural center has moved decidedly upmarket!

THE GREAT ROTARY LOBSTERFEST SATURDAY, JULY 31

The LobsterFest is the perfect event for families, friends, singles, and couples, at the Greenport School, Main Road, Greenport. The combined efforts of two Rotary Clubs, Greenport and Southold, have made this fundraiser one of the most popular happenings for over 3 decades. Funds raised from this affair enable the Rotary Clubs to continue supporting local charitable organizations, awarding scholarships, and helping families in need.

In 2020, due to Covid challenges, LobsterFest organizers reimagined the seaside picnic-style party and reinvented it to be a wildly successful, hands-free, Covid compliant event. The health and safety of all serving volunteers and dining patrons was first priority. Thus, the same format will be replicated this year.

Tickets prices: \$55 per adult dinner, \$5 per child hot dog dinner. Available on line at: www.GreenportRotary.net. This year's LobsterFest will have the addition of free raffle tickets to all adult diners and a chance to win \$1000, gold earrings, or two tickets to LobsterFest 2022. For additional information or help with ordering on line, call: George Marsich - (631)905-8194 or Roger Satnick - (631) 765-1061.

OYSTERPONDS HISTORICAL SOCIETY

Village Lane, Orient (631) 323-2480
www.oysterpondshistoricalsociety.org

Oysterponds Historical Society's "Alone Together" Virtual Lecture Series continues to bring compelling East End content direct to living rooms with the following upcoming Zoom presentation:

Saturday, April 17, 5pm "Alone Together" Virtual Lecture – "Night Boats to New England: When Splendor Sailed L.I. Sound"

Presented by John Henry. Well into the 20th century, passenger steamers left New York City every night of the year headed eastward on the Sound bound for New London, Newport, Providence and Boston. Grandest of all were the magnificently appointed ships of the Fall River Line, which operated from 1847 to 1937 between New York, Newport and Fall River. Renowned for the opulence of their interiors, the dependability of their service, and their pedigreed passengers, they made the line a beloved American institution.
