

The first Greenport Village Maritime Festival was held in 1989 when the Museum was formed for the purpose of reconstructing the Bug Light Lighthouse. This year is the 30th Anniversary!

Jan Claudio, seen above with husband Bill as Grand Marshalls of the 2013 parade, said the first few years of the festival did not have a parade.

The Seaport Museum thinks there may not have been a Grand Marshall for possibly the first 2 years but no one is sure. So it's possible there were 25 Grand Marshall's? Can anyone help provide information?

If you can help fill in the blanks please email: Director@Eastendseaport.org Or call the Museum at 631-477-2100

NAUTICAL CONCERT SUNDAY JUNE 23

"Long Islanders' Sing of the Sea" Concert will take place 1:30pm at the Nautical Museum at Horton Point Lighthouse, 3575 Lighthouse Rd., Southold, NY 11971

Stephen N. Sanfilippo has been described as a true renaissance man. With a Ph.D. in History from Stony Brook University and most recently his retirement as an Assistant Professor for Maritime History at Maine Maritime Academy, Stephen has a broad knowledge of Long Island and the United States. But the focus of this concert will involve another passion.....Music of Maritime Folk! Stephen has been performing songs of the sea since the early 1970s, concentrating on researching and singing songs of coastal and maritime life of Long Island (New York) and Downeast Maine. Stephen will sing historic ballads a cappella and if the audience is inclined, will lead historic chanteys in the true unaccompanied call-and-response manner. The performance is sure to include guitar, Anglo concertina, 5-string banjo, and harmonica. If the weather is inviting, the concert will be set up outside with the beautiful setting of the Lighthouse Park. In the event of foul weather, the concert will take place inside the museum. Concert goers are encouraged to bring a lawn chair or blanket.

Suggested admission to the museum is \$5 per adult and \$10 per family. Separate donations for the concert will be accepted. Stephen is generously donating the performance for the benefit of Southold Historical Society. Parking at Horton Point Lighthouse is available in the Southold Park District's lot for a \$5 fee (if not a Park District resident). Street parking is by Southold Town Permit only. Until End of Summer: OHS Time Capsule

Kids and teens in the Orient community are invited to join in on a community time capsule project in celebration of the 75th anniversary of OHS. OHS will be providing free notebooks for participants to use for sketching, writing, and collaging - whatever they feel inspired to do - over the course of the summer. In exchange, OHS asks that each child choose a favorite page they created to have photographed at the end of the summer. These pages will be compiled to form a community journal to include in the time capsule, to be opened in 2044 (on our 100th Anniversary). Notebooks can be picked up at the Exhibition Opening on May 26th at 4pm or in the office thereafter.

June 30th, Heritage Day: Join us 11:30am for our annual parade at the Civil War Monument on Village Lane, followed by a reading of the Declaration of Independence at the Old Point Schoolhouse. Then enjoy hot dogs, music, and games at Poquatuck Park. All are welcome, it is free and open to the public.
