## Here's An Even Better One. Or Two.

"I went into the basement and I thought I was in the wrong house! The new Jacketed tank looked remarkable, as did the surrounding area. The boiler room was SPOTLESS! Again, I thought I was in the wrong house. The house itself showed no signs that Flanders was even there. Two 275 gallon tanks that were over 50 years old, cut into pieces and carried out through the house without a trace of oil or rusty metal. You owe these guys lunch. Please let your crew know what a terrific job they did..." - M.K, Shelter Island

"There was constant communication from the start and all the way through. For that I am most grateful... Thank You for your prompt response." - S.H., East Hampton

**BRADY RYMER AND THE LITTLE BAND THAT COULD** Sunday, May 6th!  
**OLIVER!** • MAY 17-20, 24-31, JUNE 1-3

The streets of Victorian England come to life as Oliver, a malnourished orphan in a workhouse, becomes the neglected apprentice of an undertaker. Oliver escapes to London and finds acceptance amongst a group of petty thieves and pickpockets led by the elderly Fagin. When Oliver is captured for a theft that he did not commit, the benevolent victim, Mr. Brownlow takes him in. Fearing the safety of his hideout, Fagin employs the sinister Bill Sikes and the sympathetic Nancy to kidnap him back, threatening Oliver’s chances of discovering the true love of a family.

**SEUSSICAL™** • JULY 19-22, 26-29, AUGUST 2-5

Although Horton faces ridicule, danger, kidnapping and a trial, the intrepid Gertrude McFuzz never loses faith in him. Ultimately, the powers of friendship, loyalty, family and community are challenged and emerge triumphant.

**THE FAST LANE CONCERT MAY 27**

— featuring the music of Tom Petty and The Eagles —

Greenport Rotary's latest community project is the refurbishing and rededication of the miniature railroad, the Greenport Express. As you may recall, Frank Field ran this train on his property for a number of years with proceeds going to the hospital. Unfortunately, he found he could not continue and the train languished for years. Now, the Rotary is purchasing the train, will build a station house, complete with public rest rooms, on land donated by the Village off Moores Lane, and hope to continue the family friendly activity and create more wonderful memories for countless folks.

Our first major fundraiser to benefit this project will be a concert by The Fast Lane featuring the music of Tom Petty and The Eagles at the Greenport High School auditorium. Tickets (\$40-\$50 open seating) are available on line at greenportrotary.com.
