**Otto D. Hulse** (Age 5)

Otto Dayton Hulse was born April 2, 1892 at Mattituck, son of Daniel Pierson Hulse, a day laborer, and Elberta Harris Dayton. Otto's education was probably completed by sixth grade. In 1910, Otto, his parents, and his younger siblings, moved to Monsell Place, Greenport. Otto became a machinist, eventually forming Hulse Bros. of Greenport, a company to manufacture and repair marine engines with his brother Daniel.

Otto married Rosalie E. Horton, October 10, 1913, at the home of her parents, Benjamin L. Horton and Rose Belle Sweezy of New Suffolk. The couple lost two children in February, 1917, in a household accident when Otto and Rosalie were visiting neighbors. It is supposed that one of the children dropped a large flag with which they were playing on the stove, and in an effort to put it out, dropped the flag on the floor. The smoldering of the flag and the carpet caused sufficient smoke to suffocate their five-month old baby and their two-year old daughter; an older brother survived. Sadly, Rosalie passed away in 1921.

Otto married a second time to Ceolia E. Smith. Otto passed away February 8, 1961 and Ceolia died December 30, 1996. They are buried in Sterling Cemetery in Greenport, with Otto's son, Jesse, and his two infant children.

The well-known firm of Hulse Bros., which for the past 25 years has been engaged in the manufacturing and repairing of marine motors at Greenport, has changed hands. Daniel R. Hulse and his brother, Otto H. Hulse, were the designers and manufacturers of the well-known Hulse Bros. marine motor. Daniel H. Hulse has retired from the firm, and the business will be carried on by his brother.

**Mabel Husing** (Age 7)

Mabel Adeline Husing was the daughter of John Husing and Anna Margaret Tribcken. John Husing had a farm at Mattituck but his business was selling groceries. About 1882, the Husing family moved their grocery business to Pacific Street in Brooklyn. Mabel was born at Brooklyn, May 18, 1890, and lived there, but she spent weekends, holidays and summers with her family, enjoying property they owned on Peconic Bay known as "Husing Grove." Her father listed his business in Brooklyn and his residence in Mattituck. Mabel completed four years of high school and graduated from Brooklyn Hospital as a registered nurse about 1920.

*Husing's Beach, Mattituck, on a sunny afternoon, c. 1905.*

John Husing died in 1924, leaving a large will. He left his four daughters – Anna, Grace, Mabel, and Martha – a hundred acre farm located on the south side of Main Road in Mattituck. Veteran's Park in Mattituck is built on Husing property. The Husing Pond Preserve was acquired by the Nature Conservancy in two gifts from Martha Husing in 1972 and 1976.

An agreement has been reached with the Misses Mabel and Martha Husing for the sale of their Peconic Bay shorefront property to the park district. The Husing property contains about four acres and has a frontage of more than 500 feet on the bay. The beach is one of the finest in the locality.

**Cora Jackson** (Age 6)

Cora H. Jackson was born October 10, 1891, at Riverhead, the daughter of Oliver Hazard Jackson and Harriet "Hattie" E. Reeve.

Her father, Oliver Hazard Jackson, was born in Atlanticville (now known as East Quogue) on Dec. 6, 1858, a son of William Marshall Jackson and Mary Ann Harvey Jackson. Oliver came to Mattituck with his family when he was fourteen years old. He was a butcher at Reeve & Hall Market (William H. Reeve and Leon R. Hall) on Love Lane at the turn of the century where he worked for many years until his retirement. He conducted a poultry farm at his place for several years after that, and he passed away in 1941. Cora's only sibling, an older brother Edmund, died at age sixteen at Mattituck.

*Reeve and Hall Meats and Provisions on Love Lane, c. 1947. The store, which closed in 1949, is the present location of Love Lane Kitchen.*

Cora shared a home on the north side of Sound Avenue with her parents and her Reeve grandparents. After her mother's death, Cora took a room on Hamilton Avenue. Cora had two years of high school at Riverhead and eventually succeeded her classmate Sarah Craven as librarian at the Mattituck Library, a position she held for twelve years. In early 1930, Cora became Welfare Relief Investigator, and soon devoted herself to charitable works. She was in charge of charitable donations, and became chairperson of the Mattituck Red Cross. She was involved in the Christian Endeavor and Ladies Missionary activities at the Mattituck Presbyterian Church. As an officer of the local Grange, Cora combined her charitable work with her prize-winning gardening skills. She was Chairman of the Riverhead Garden Club and a member of the Mattituck-Laurel Historical Society. Cora died in December of 1970 and is buried with her immediate family at New Bethany in Mattituck.

**Now thru Wednesday, Nov 24, HALLOWEEN EXHIBIT: The Gory Gallery: A Gloriously Gruesome Gathering of Lyrical Lamentations for the Dearly Departed!** In our Weathervane Gallery. Objects from the Suffolk County Historical Society Collection are exhibited as you’ve never seen them before...in the “spirit” of Halloween! A delightfully haunting and humorous history exhibit that is sure to delight, entertain, and horrify the whole family!

**Now thru Dec 23, SEEKING SANCTUARY: 125 Years of Synagogues on Long Island.** Exhibit extended by popular demand in our Gish Gallery! Sponsored by the Jewish Historical Society of Long Island. Curated by Brad Kolodny. Brad Kolodny set out to document and photograph every synagogue that has ever existed in Nassau and Suffolk. This exhibit showcases a sampling of Kolodny’s images based on their historic significance, architectural design, and other attributes. Together, the images tell the story of Judaism’s evolution on LI—from the humble beginnings of the first synagogue built in 1896 and the massive growth following World War II to today.

**AMERICA IN PRINT: Prints, Lithographs, & Etchings** from the SCHS Collection. In our Grand Staas Gallery. Before the 1800s, art was reserved for the wealthy, but with the invention of lithography in 1796, and particularly color lithography in 1837, printers were able to mass-produce beautiful color prints that were cheap enough for anyone to buy. Suddenly, art was available to all from such printers as Louis Prang, Napoleon Sarony, and Currier & Ives. Featuring themes of nineteenth-century life in landscapes, cityscapes, seascapes, and more, as well as rare examples of “lithographic Long Island,” this exhibit captures the evolution of an American art form.

**SILVERBROOK ART GLASS WORKS (1943-1976).** In our History in the Hall display cases. For the first time in over 30 years our entire Silverbrook Collection is showcased in our museum! After fleeing their native Czechoslovakia in 1937 in fear of a Hitler invasion, the Kreutz brothers came to the United States as fifth-generation glass-blowers, settling in Suffolk County and establishing their glassworks company on Flanders Road in Riverhead. Unlike most other glassware manufactured by machinery at the time, the Kreutz brothers used the traditional centuries-old hand-blown glass techniques they had learned in their homeland.

**OFF-SITE EXHIBITION:** Suffolk County Pine Barrens Pictorial Exhibit. A standing display on loan from the Suffolk County Historical Society provides an overview of the history of the Pine Barrens and the critical role this region plays in the protection of Suffolk County’s precious groundwater. On display at the Suffolk County Water Authority Education Center: 260 Motor Pkwy, Hauppauge, NY. 631-292-6565 or EdCenterTours@SCWA.com.
